Education:

All-Russian State Institute of Cinematography. S.A. Gerasimova (VGIK), camera department (2003 - 2008)

Work experience:

All my life I have been working in the camera crew. Before entering VGIK, I started working as a camera mechanic. I have worked in all positions as far as the camera group - mechanic, dolly, focus puller, cameraman. For more than 10 years I have worked as a camera man and a second DOP, for the last 5 years I have been actively working as a director of photography.

Feature films, television series, documentary, commercials, music videos.

Personal characteristics:

Initiative, resistance to stress, ability to make quick decisions, desire to learn, develop, grow as a professional
